

PRE-PUBLICATION AVAILABILITY OF THE THEORY OF IRV

“The Theory of IRV: A Novel About Health Policy” is a book written by WHF President Greg Vigdor. It is being made available through the Washington Health Foundation website to interested parties.

To obtain an electronic copy of the book, send this form imbedded in an email or as an attachment to an email to Greg Vigdor at gregvigdor@whf.org. Greg will send you a PDF file of the book for your reading pleasure.

There is no cost to obtaining the book through this offer. Those requesting or receiving a copy agree to NOT copy or otherwise use the contents of the book, in whole or part, without the express written permission of Greg Vigdor. The book is copyrighted and the legal rights to it are exclusively Mr. Vigdor’s.

Readers are asked to send an email with their comments to Mr. Vigdor. There may be a slight delay in receipt as he finalizes the copyright process.

If readers like the book, they are encouraged to go to the WHF Donor Webpage and make a contribution to the Washington Health Foundation. This is entirely voluntary, and can be for any amount, or none.
